

### **For All of Your Civil Litigation Needs**

#### **What is Civil Litigation?**

Civil litigation is a legal dispute between two or more parties that seek money damages or specific performance rather than criminal sanctions. A lawyer who specializes in civil litigation is known as a “litigator” or “trial lawyer.” Lawyers who practice civil litigation represent parties in trials, hearings, arbitrations and mediations before administrative agencies, foreign tribunals and federal, state and local courts.

#### **For All of Your Civil Litigation Needs**
